## ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Housing Authority of the City of Marfa has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, PHA's responsibility to Section 8 owners/landlords, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of the City of Marfa during FY 2001 include:

- Preserve and improve the public housing stock through the Capital Funds activities.
- Involve the public housing residents and the Section 8 participants through the Annual Plan Resident Advisory Board.
- Train staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our residents and the community; and
- Identify, develop and leverage services to enable low-income families to become self-sufficient.

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority of the City of Marfa to meet the housing needs of the full range of low-income residents. The Housing Authority of the City of Marfa, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the "higher quality of life" destination for the City of Marfa.

# Housing Authority of the City of Marfa PHA Plan Update for FYB 2001

# Statement of Progress Attachment **TX318f03**

The Housing Authority has been successful in achieving its mission and goals in the year 2000. Goals are either completed or on target for completion by the end of the year.

To ensure compliance with the Public Housing Reform Act of 1998, every policy was reviewed and updated as needed. Most significant was the update to the Admissions and Occupancy Policy and the Section 8 Administrative Plan.

Concerning ensuring equal opportunity outreach efforts have been made by making renewed partnerships with community groups and medical facilities.

# COMMUNITY SERVICE POLICY FOR THE HOUSING AUTHORITY OF THE CITY OF MARFA, TEXAS

### COMMUNITY SERVICE POLICY

Section 512 of the Quality Housing and Work Responsibility Act of 1998, which amends Section 12 of the Housing Act of 1937, establishes a new requirement for nonexempt residents of public housing to contribute eight (8) hours of community service each month or to participate in a self-sufficiency program for eight (8) hours each month. Community service is a service for which individuals are not paid. The Housing Authority of the City of Marfa (PHA) believes that the community service requirement should not be perceived by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents an opportunity to contribute to the communities that support them.

In order to effectively implement this new requirement, the Housing Authority of the City of Marfa establishes the following Policy, effective October 1, 1999.

## 1. Community Service

The PHA will provide residents, identified a required to participate in community service, a variety of voluntary activities and locations where the activities can be performed. The activities may include, but are not limited to:

- improving the physical environment of the residents developments;
- selected office related services in the development or Administrative Office;
- volunteer services in local schools, day care centers, hospitals, nursing homes, youth or senior organizations, drug/alcohol treatment centers, recreation centers, etc;
- neighborhood group special projects;
- self-improvement activities such as household budget, credit counseling, English proficiency, GED classes or other educational activities;
- tutoring elementary or high school age residents; and
- serving in on-site computer training centers.

Voluntary political activities are prohibited.

# 2. Program Administration

The PHA may administer its own community service program in conjunction with the formation of cooperative relationships with other community based entities such as TANF, Social Services Agencies or other organizations which have as their goal, the improvement and advancement of disadvantaged families. The PHA may seek to contract its community service program out to a third-party.

© 1999 The Nelrod Company, Fort Worth, Texas 76109 In conjunction with its own or partnership program, the PHA will provide reasonable

1

accommodations for accessibility to persons with disabilities. The PHA may directly supervise community service activities and may develop and provide a directory of opportunities from which residents may select. When services are provided through partnering agencies, the PHA will confirm the residents participation. Should contracting out the community service function be determined to be the most efficient method for he PHA to accomplish this requirement, the PHA will monitor the agency for contract compliance.

The PHA will assure that the service is not labor that would normally be performed by PHA employees responsible for the essential maintenance and property services.

# 3. Self Sufficiency

The PHA will inform residents that participation in self-sufficiency activities for eight (8) hours each month can satisfy the community service requirement and encourage nonexempt residents to select such activities to satisfy the requirement. Such activities can include, but are not limited to:

- apprenticeships and job readiness training;
- substance abuse and mental health counseling and treatment;
- English proficiency, GED, adult education, junior college or other formaleducation;
- household budgeting and credit counseling;
- small business training.

The PHA may sponsor its own economic self-sufficiency program or coordinate with local social services, volunteer organizations and TANF agencies.

## 4. Geographic Location

The PHA recognizes that the intent of this requirement is to have residents provide service to their own communities, either in the PHA's developments or in the broader community in which the PHA operates.

# 5. Exemptions

In accordance with provisions in the Act, the PHA will exempt from participation in community service requirements the following groups:

- adults who are 62 years of age or older;
- persons engaged in work activities as defined under Social Security (fulltime or parttime employment);
- participants in a welfare to work program;
- persons receiving assistance from and in compliance with State programs funded under part A, title IV of the Social Security Act; and

• the disabled but only to the extent that the disabilitymakes the person "unable to comply" with the community service requirements.

The PHA will determine, at the next regularly scheduled reexamination, he status of each household member eighteen (18) years of age or older with respect to the requirement to participate in community service activities. The PHA will use the "PHA Family Community Service Monthly Time-Sheet" to document resident eligibility and the hours of community service. A record for each adult will be established and community service placement selections made. Each non-exempt household member will be provided with forms to be completed by a representative of the service or economic self-sufficiency activity verifying the hours of volunteer service conducted each month.

The PHA will also assure that procedures are in place which provide residents the opportunity to change status with respect to the community service requirement. Such changes include, but are not limited to:

- going from unemployment to employment;
- entering a job training program;
- entering an educational program which exceeds eight (8) hours monthly.

All exemptions to the community service requirement will beverified and documented in the resident file. Required verifications may include, but not be limited to:

- third-party verification of employment, enrollment in a training or education program, welfare to work program or other economic self sufficiency activities;
- birth certificates to verify age 62 or older; or
- if appropriate, verification of disability limitations.

Families who pay flat rents, live in public housing units within market rate developments or families who are over income when they initially occupy a public housing unit will not receive an automatic exception.

# 6. Cooperative Relationships with Welfare Agencies

The PHA may initiate cooperative relationships with local service agencies that provide assistance to its families to facilitate information exchange, expansion of community service/self-sufficiency program options and aid in the coordination of those activities.

## 7. Lease Requirements and Documentation

The PHA's lease has a twelve (12)-month term and is automatically renewable except for

non-compliance with the community service requirement. The lease also provides for termination and eviction of the entire household for such noncompliance. The lease provisions will be implemented for current residents at the next regularly scheduled reexamination on or after October 1, 1999, and for all new residents effective October 1, 1999. The PHA will not renew or extend the lease if the household contains a nonexempt member who has failed to comply with the community service requirement.

Documentation of compliance or non-compliance will be placed in each resident file.

# 8. Noncompliance

If the PHA determines that a resident who is not an "exempt individual" has not complied with the community service requirement, the PHA must notify the resident:

- 1. of the non-compliance;
- 2. that the determination is subject to the PHA's administrative grievance procedure;
- 3. that unless the resident enters into an agreement under paragraph 4. of this section, the lease of the family of which the non-compliant adult is a member may not be renewed. However, if the non-compliant adult moves from the unit, the lease may be renewed;
- 4. that before the expiration of the lease term, the PHA must offerthe resident an opportunity to cure the non-compliance during the next twelve (12)-month period; such a cure includes a written agreement by the non-compliant adult to complete as many additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve (12)-month term of the lease.

# PET OWNERSHIP (FAMILY) FOR THE HOUSING AUTHORITY OF THE CITY OF MARFA, TEXAS

# **PET OWNERSHIP**

### **OVERVIEW**

Section 526 of the Quality Housing and Work Responsibility Act of 1998 added a new Section 31 ("Pet Ownership in Public Housing") to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing the than Federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. A proposed rule to implement Section 31 was published in the June 23, 1999, Federal Register. On July 10, 2000, a final rule incorporating comments received, was published in the Federal Register. This policy reflects the final rule requirements.

The Housing Authority of the City of Marfa (herein referred to as PHA) will notify eligible new and current residents of their right to own pets subject to the PHA's rules and will provide them copies of the PHA's Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA's developments, the PHA will develop appropriate pet ownership rules, include those rules in their Agency Plan and notify all such residents that:

- A. all residents are permitted to own and keep common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHApet ownership rules;
- 2. A non-refundable nominal pet fee of \$\\$ will be charged and is intended to cover the reasonable operating costs to the development directly attributable to a pet or pets in the unit (i.e., fumigation of a unit). A refundable pet deposit of \$\\$ will be assessed and is intended to cover additional costs not otherwise covered which are directly attributable to the pet's presence (i.e., damages to the unit, yard, fumigation of a unit, etc.);
- C. animals that are used to assist the disabled are excluded from the size, weight, type and non-refundable fee requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. in accordance with State or local law are observed;

1

- Pet Ownership-Family
- D. residents may request a copy of the PHA's pet ownership rules or proposed amendments to the rules at any time; and,
- E. if the dwelling lease of a resident prohibits pet ownership, the resident may request that the lease be amended to permit pet ownership, in accordance with the PHA's pet ownership rules shown below;
- F. Section 31 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery Act of 1983 and located in 24 CFR part 5, subpart C;
- G. New Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments. Nothing in this rule limits or impairs the rights of persons with disabilities, authorizes PHAs to limit or impair the rights of persons with disabilities, or affects any authority PHAs may have to regulate service animals that assist persons with disabilities.
